WHO CAN APPLY FOR FINANCIAL HARDSHIP SUPPORT?

The obligations under the Code only apply in relation to:

- an individual Insured or a Third-Party Beneficiary (as defined in the Code who owes us money, including an excess, under an insurance policy we have issued; or
 - an individual where we are seeking to recover money from them because we believe they caused damage or loss to either an Insured, or a Third-Party Beneficiary who we cover under an insurance policy.
- These are referred to as “**you**” and “**your**” below.

Insured means a person, company or entity holding, or seeking to hold, a general insurance product covered by the Code. It excludes a Third-Party Beneficiary.

Third Party Beneficiary means a person, company or entity who is not an Insured but who is seeking to be, is specified to be, or is referred to as, a person to whom the benefit of the insurance cover extends. The relevant product must be covered by the Code. The person, company or entity may be specified by, or referred to by, name or otherwise.

We encourage you or your representative to tell us about your Financial Hardship so that we can work with you to discuss your situation and the options available to support you, otherwise there is a risk that we may not find out about it.
