

Association Liability Protection

A comprehensive policy crafted for startup, micro and small not for profit, privately held or membership based Associations and charitable organisations. Our coverage provides protection for the professional and fiduciary exposures that arise from the management and operations of an Association. This encompasses the Associations own liability, but also including the liability of its Office Bearers and professional services.

Broad and competitively priced coverage for private, not for profit, membership organisations and committees.

- Highly competitive on non-contentious and white collar Not for Profit Associations
- Non Contentious Membership Organisations
- Not for Profit and Charitable Organisations
- Industry Advocacy Associations, committees and similar
- Sport, Health, and Care Associations
- Generally for turnovers of Less than \$50M

Our Association Liability product generally provides a broad range of coverage benefits, including but not limited to;

- Up to \$10m Limits
- Association Liability (entity)
- Office Bearers (D&O) Coverage
- Company Reimbursement
- Statutory Liability (fines and penalties)
- Employment Practices Liability
