

## Excess of Loss Insurance

A broad follow form policy which is tailored to provide excess insurance capacity across a variety of products and industries.

A simple follow form wording, tailored on a case by case basis, providing Excess of Loss insurance for a variety of industries and products, including but not limited to

- Excess D&O
- Excess Management Liability (selectively)
- Excess Engineers PI
- And more!
- Excess PI
- Excess D&C
- Excess Solicitors

**Our Excess of Loss Consideration is much broader than our primary, so don't discount us whenever you need additional capacity!**

- An extensive appetite
- Broad range of industry types
- Outside of the box thinking
- Consider most risks and policies/programs

## Excess of Loss Insurance

### What We Love!

- Private and NFP D&O
- Unlisted D&O
- XOL Professional Indemnity
- XOL Design and Construct PI
- XOL ML (select sections)
- XOL Medical Malpractice
- XOL IT
- XOL Casualty (Selectively)

### What We Don't Mind :)

- Same Consideration appetite as all our products, only can consider more higher risk industries on XOL such as;
- Civil Construction
- HVAC
- Engineering
- Mining
- Higher Hazard
- D&C (annual)
- Accountants
- Architects
- Medical
- High Hazard
- Mining
- Engineering

### What We Don't Like!

- Crypto Currency Exposures
- Gambling and Gaming Operations
- Adult Content
- Financial Institutions
- Aviation
- Single Project PI
- Any mission critical or life critical risks under \$10,000,000 attachment points
- Medical Practitioner Liability
- Solicitors under \$10M attachment
